Dave,

Brian and I plan to talk with Greg Peck this morning, and we'll get in touch after that. Thanks for your suggestions on the letter from Ben to JP, and for the draft communications materials. I've heard (email) from Greg that he and Kevin Minoli have been preparing some communications materials, but have not seen them in draft yet. Talk with you soon.

Draft Special Case letter edits and desk statement

As discussed. Will look forward to some interesting action on Monday. I'd be happy to collect editing suggestions on both from R9 folks, which I can then forward tomorrow (ideally by not too late in the morning) to Dave and Brian in HQ. Brian, I'll call you early in the AM. In the decision letter, the key edits from my POV are to:

- (b)(5) deliberative & attorney client privileged

Thanks for everyone's hard work on this fascinating situation.
